

# Johnny Come Lately (1987/Live in Raleigh, NC)

## Steve Earle

I'm an American, boys, I've come a long way  
I was born and bred in the USA  
So listen up close, I've got something to say  
Boys, I'm buying this round Well it took a little while, but we're in this fight  
Ain't going home 'til we've done what's right  
We're gonna drink Camden Town dry tonight  
If I have to spend my last pound When I first got to London it was pourin' down rain  
Met a little girl in the field canteen  
Painted her name on the nose of my plane  
Six more missions, I'm gone Well I asked if I could stay and she said that I might  
Then the warden came around yelling "shut out the lights"  
Death rainin' out of the London night  
We made love 'til dawn But when Johnny come lately comes marching home  
His chest full of medals and a G.I. loan  
They'll be waitin' at the station down in San Antone  
When Johnny comes marching home My P-47 is a pretty good ship  
And she took a round comin' cross the Channel last trip  
I was thinkin' 'bout my baby and letting her rip  
Always got me through so far Well they can ship me all over this great big world  
I've never find nothing like my North End girl  
I'm taking her home with me one day, sir  
Soon as we win this war But when Johnny come lately comes marching home  
Chest full of medals and a G.I. loan  
They'll be waitin' at the station down in San Antone  
When Johnny comes marching home, Johnny Now my granddaddy sang this song  
Told me about London when the Blitz was on  
How he married grandma and brought her back home  
A hero throughout his land Now I'm standing on a runway in San Diego  
A couple Purple Hearts and move a little slow  
There's nobody here, maybe nobody knows  
About a place called Vietnam But when Johnny Come Lately comes marching home  
With a chest full of medals and a G.I. loan  
They'll be waitin' at the station down in San Antone  
When Johnny comes marching home Now when Johnny come lately comes marching home  
Chest full of medals and a G.I. loan  
They'll be waitin' at the station down in San Antone  
When Johnny comes marching home, Johnny
