All Ablaze

Ian Brown

Caught you in a ring of fire
All surround me, such a blaze
Got you in a ring of fire
Lift me as you say my nameWho you gonna get to bring you water
When your well runs dry?
What you gonna tell your little daughter?
Is the reason that her daddy makes her cryCaught you in a ring of fire
Happy days are all ablaze
Happy days in a ring of fire
Lift me as you, say my nameWho you gonna get to bring you water
As your well runs dry?
What you gonna tell your little daughter?
Is the reason that daddy makes her crySayin' Jesus never died at crucifixion
So, Mother Mary never suffered so much pain
Masqueraders paintin' pictures, flip the scriptures
Don't even know His nameI, I say, say it again, happy days are here
And bells, just don't stop ringin' in the rain
Happy days are all ablaze
All ablaze, all ablazeI, I say the same again, happy days are here
And bells just don't stop ringin' in the rain
Happy days are all ablaze
All ablaze, all ablazeCaught you in a ring of fire
Caught you in a ring of fire
