

# Three Is A Magic Number

## Blind Melon

Three is a magic number  
Ya it is, it's a magic number  
Somewhere in that ancient mystic trinity  
You'll get three  
As a magic number  
The past, the present, the future,  
Faith, and hope, and charity,  
The heart, the brain, the body,  
Will give you three,  
It's a magic number It takes three legs to make a tripod or to make a table stand,  
And it takes three wheels to make a vehicle called a tricycle  
And every triangle has three corners,  
Every triangle has three sides,  
No more, no less,  
You don't have to guess  
That it's three  
Can't you see?  
It's a magic number A man and a woman had a little baby  
Yeah they did  
And there were three in the family  
And that's a magic number 3, 6, 9,  
12, 15, 18,  
21, 24, 27,  
30 Now multiply backwards from  $3 \times 10$   
 $3 \times 10$  is 30  
 $3 \times 9$  is 27  
 $3 \times 8$  is 24  
 $3 \times 7$  is 21  
 $3 \times 6$  is 18  
 $3 \times 5$  is 15  
 $3 \times 4$  is 12  
And  $3 \times 3$  is 9  
And  $3 \times 2$  is 6  
And  $3 \times 1$  is 3 of course  
(now dig the pattern once more!) 3, 6, 9,  
12, 15, 18  
Oh yeah  $3 \times 10$  is 30  
 $3 \times 9$  is 27  
 $3 \times 8$  is 24

3x7 is 21

3x6 is 18

3x5 is 15

3x4 is 12

And 3x3 is 9

And 3x2 is 6

And 3x1

What is it?

3A man and a woman had a little baby

There were three in the family

And that's a magic number
