

Beefheart (Dot Allison Remix)

Ruby

Beefheart, honey, don't you wanna come and play with me?

Beefheart, honey, don't you wanna come and play with me?

What happens in here is none of your concern

Beefheart, honey, don't you wanna come and play with me? Come and play with me, don't you wanna come and play with me?

Play with me, play with me, don't you wanna come and play with me?

Come and play with me, don't you wanna come and play with me?

Play with me, play with me, don't you wanna come and play with me? A million days of empty space and time that you can use

A million years of empty space and time that you can lose

What happens in here is none of your concern

Beefheart, honey, don't you wanna come and play with me? Come and play with me, don't you wanna come and play with me?

Play with me, play with me, don't you wanna come and play with me?

Come and play with me, don't you wanna come and play with me?

Play with me, play with me, don't you wanna come and play with me? There's nothing to do if you want to

There's nothing to do if you want to

There's nothing to do if you want to

There's nothing nothing nothing nothing nothing nothing nothing Play with me, play with me, don't you wanna come and play with me?

Play with me, play with me, don't you wanna come and play with me?

Play with me, play with me, don't you wanna come and play with me?

Play with me, play with me, don't you wanna come and play with me?

There's nothing to do if you want to

Play with me, play with me, don't you wanna come and play with me?

There's nothing to do if you want to

Play with me, play with me, don't you wanna come and play with me?

There's nothing to do if you want to
