

Luca (Reprisal Version)

Brand New

When I disappear, do you think all of this will have stood
When I disappear it is clear I am up to no good
Only after you realize that you need what you've already lost Touch me or don't
(I just wanna know)
Where've you been? Well drop me a line with a hook and some raw bleeding bait
Well I am uncaught and still swimming alone in the lake
Shimmering under the moon made of anger and hate
Shimmering like a penny out of reach in the subway grate Touch me or don't
Where've you been?
Leave it alone
I'm sure there's someone who knows where you've been You never worked well with our group, no one can
fault you now.
We'll fix you with cement galloshes, no one can save you now.
Unless you have friends among fish,
There'll still be no air to breathe.
You can drink up the entire ocean
And still find someone
To be everything we know that you'll never be Touch me or don't
Where've you been?
Leave it alone
I'm sure there's someone who knows where you've been
Where've you been?
Where've you been?
Whoa
Whoa
Whoa
Whoa, ah!
