Invitation To the Blues

Ray Price

(Roger Miller)I couldn't sleep last night just walked the floor
Don't know how I stand this anymore
Lonely are the times since I lost you
Recieved your invitation to the blues.I don't know why you caused me such pain
I just hope I'll never go through this much again
Thanks for sending something I can't use
Recieved your invitation to the blues.--- Instrumental ---You took the laughter from this world of mine
Thanks to you the sun will never shine
Walk the floor so much wore out my shoes
Recieved your invitation to the blues.
I don't know why, I don't know why you caused me such pain
I just hope I'll never go through this much again
Lonely me, I don't know what to do
Recieved your invitation to the blues...
