

Havin' A Ball

Styx

Written by james young, john curulewski

Lead vocals by james young

Yeah

Now tell me girl

Won't you tell me true

Help me get this out of my head

Now fenny thinks that there ain't no stoppin'

Until you got me flat on my back

You know my number

Just give me a call

You know what I'm thinking

We're just havin' a ball

Now there's things that I agree with

And things that I really don't

If you think I'm free to try something crazy

There ain't nothing 'round that I won't

You know my number

Just give me a call

You know what I'm thinking

We're just havin' a ball

Yeah

Just havin' a ball

Just havin' a ball

Just havin' a ball

Just havin' a ball

Now if you want to spend some time with me

If you've got some time to kill

Tell more or else I'll leave this place

Know a couple of a ladies that will

You know my number

Just give me a call

You know what I'm thinking

We're just havin' a ball

You know my number

Just give me a call

You know what I'm thinking

We're just havin' a ball

Yeah

Just havin' a ball
Just havin' a ball
Just havin' a ball
Just havin' a ball
You know my number
Just give me a call
You know what I'm thinking
We're just havin' a ball
You know my number
Just give me a call
You know what I'm thinking
We're just havin' a ball
You know my number
Just give me a call
You know what I'm thinking
We're just havin' a ball
