

# Well, Alright

CeCe Winans

o o oh  
alright alright alright  
We.e.e.llll Lord  
alright alright

(Verse 1)

Times are harder now  
Then they've ever been before  
Don't be discouraged  
So much hurt and pain  
That it seems so hard to bare  
You gotta remember  
Faith is the only thing (That you can count on)  
Stand with his promises (And you may be strong)  
I'm here to let you know  
There's always hope for you and me  
In spite of what it feels like

(Chorus)

Well alright  
Keeping your head up high it don't matter cause it's alright  
Well alright, well alright  
And even the change don't come today even tonight  
Ah Yea  
He's gonna answer every little prayer  
Just hold on  
Wait and see  
You know it's gonna be alright

(Verse 2)

Oooh hoo  
Crying all night long  
Feeling like your so alone  
Don't you worry  
Cause season have to change  
It won't always be this way  
So just remember

Love is the only key  
That open's every door  
It mixes everything  
All that you need and more  
I've got to let you know  
There's always hope for you and me  
Despite of what it seems like

(Chorus)

(Bridge)

It's so much life to live for  
And happiness in store  
It's so much more that you can be  
You gotta ask and you'll recieve

Alright alright alright (Yes it is)  
Alright alright alright  
(Hey weeping may endure for the night but joy comes in the morning)  
Alright alright alright (alright alright alright)  
Alright alright alright (alright alright alright)  
Alright alright alright (alright alright alright)  
Alright alright alright

(Chorus2xs)
