

# Meet Me at Mary's Place

Sam Cooke

A friend of mine told me  
One clearly mornin'  
(Over at Mary's place, ho)  
Said tonight there's gonna  
Be a party goin' on  
(Over at Mary's place, ho)He said if you can enjoy  
A real nice affair  
(Over at Mary's place, ho)  
Then you'll make it  
Your business to be right there  
(Over at Mary's place, ho)  
He said in factMeet me  
(Meet me at Mary's place)  
We're gonna have  
(We're gonna have us a ball today)  
Why don't you  
(Meet me at Mary's place)Why don't you meet me  
(Meet me at Mary's place)  
We're gonna have  
(We're gonna have us a ball today)  
Why don't you  
(Meet me at Mary's place, ho)He said, there's one thing  
That I want you to know  
(Over at Mary's place, ho)  
You're gonna have a good time  
Before you go  
(Over at Mary's place, ho)He said, there's one more thing  
That I'm gonna guarantee  
(Over at Mary's place, ho)  
Got to have fun  
If you're a man like me  
(Over at Mary's place, ho)  
If you wanna have funMeet me  
(Meet me at Mary's place)  
We're gonna have  
(We're gonna have us a ball today)Why don't you  
(Meet me at Mary's place)  
Oh, meet me  
(Meet me at Mary's place)

We're gonna have  
(We're gonna have us a ball today) Why don't you  
(Meet me at Mary's place, ho)  
If you wanna have a good time  
(Meet me at Mary's place)  
We're gonna have  
(We're gonna have us a ball today) Come on and  
(Meet me at Mary's place)  
Oh, meet me  
(Meet me at Mary's place)  
We're gonna have  
(We're gonna have us a ball today)  
Come on and  
(Meet me at Mary's place, ho)
