

Stygian Flames

Metalium

Fire In The Warriors Soul,
Origin Of Strenght And Desire
Higher, Darkened Clouds Come,
Static Air Chocking The LiarTime
Getting Near
I Can Hear
Low Rumbles Fighting With Light
Split Wicked Fingers
Race Down To This Place
The Heat Of It Chinning My FaceStrike
Blast Bright
Possessed By The Fire Within Me
Only A Pure Heart Survives
Stygian FlamesStrike
Don't Fight
True Virtue Keeps My Way To See
Walk Without Fear Through The Wall
Stygian FlamesClearer
This Gift From The Gods.
Endows Me With Sight Of White Heat
Beware
Craft Of The Flames,
Respect It Or Suffer DefeatStrong
Through The Flames,
There's No Pain,
My Defence Is Sealed
Enforcing My Armor
With Power Immortal
Animus Path Is RevealedStrike
Blast Bright
Possessed By The Fire Within Me
Only A Pure Heart Survives
Stygian FlamesStrike
Don't Fight
True Virtue Keeps My Way To See
Walk Without Fear Through The Wall
Stygian Flames[Solo][Chorus x2]
