

Civil War

Bwani Junction

{What we've got here is failure to communicate
 Some men, you just can't reach
 So, you get what we had here last week
 Which is the way he wants it, well, he gets it
 An' I don't like it any more than you men}
 Look at your young men fighting
 Look at your women crying
 Look at your young men dying
 The way they've always done before
 Look at the hate we're breeding
 Look at the fear we're feeding
 Look at the lives we're leading
 The way we've always done before
 My hands are tied
 The billions shift from side to side
 And the wars go on with brainwashed pride
 For the love of God and our human rights
 And all these things are swept aside
 By bloody hands time can't deny
 And are washed away by your genocide
 And history hides the lies of our civil wars
 D'you wear a black armband when they shot the man
 Who said, "Peace could last forever"?
 And in my first memories, they shot Kennedy
 I went numb when I learned to see
 So I never fell for Vietnam
 We got the wall of D.C. to remind us all
 That you can't trust freedom when it's not in your hands
 When everybody's fightin' for their promised land
 And I don't need your civil war
 It feeds the rich, while it buries the poor
 You're power hungry, sellin' soldiers
 In a human grocery store, ain't that fresh?
 I don't need your civil war
 Look at the shoes you're filling
 Look at the blood we're spilling
 Look at the world we're killing
 The way we've always done before
 Look in the doubt we've wallowed

Look at the leaders we've followed
Look at the lies we've swallowed
And I don't want to hear no more
My hands are tied
For all I've seen has changed my mind
But still the wars go on and the years go by
With no love of God or human rights
'Cause all these dreams are swept aside
By bloody hands of the hypnotized
Who carry the cross of homicide
And history bears the scars of our civil wars
{We practice selective annihilation
Of mayors and government officials
For example to create a vacuum
Then we fill that vacuum
As popular war advances, peace is closer}
I don't need your civil war
It feeds the rich while it buries the poor
You're power hungry, sellin' soldiers
In a human grocery store, ain't that fresh?
I don't need your civil war
I don't need your civil war
I don't need your civil war
You're power hungry, sellin' soldiers
In a human grocery store, ain't that fresh?
I don't need your civil war
I don't need one more war
I don't need one more war
What's so civil 'bout war anyway?
