Being Simple

Judybats

Hearts cannot be broken, they're small squishy things
They don't break like glass but they bruise easily
This one you bruiseWords will not be spoken never knowing what they mean
Sticks and stones hurt my bones, your promises have broken me
Each one you breakAnd I want to be good but good is being simple
Simple is forgetting
I simply can't forget
I want to be good but good is being simple
Simple is forgetting
And I simply can't forgetEyes are always open even when they sleep
Mine are mostly closed while yours are wandering
You look where you pleaseAnd I want to be good but good is being simple
Simple is forgetting
I simply can't forget
I want to be good but good is being simple
Simple is forgetting
And I simply can't forgetI want to be great but greatness is giving
Giving leaves me empty
Oh great emptinessSouls cannot be taken, they're large and they're loud
Yours merely whispers latelyseems it's shrinkin'
I wish it would speakAnd I want to be good but good is being simple
Simple is forgetting
I simply can't forget
I want to be good but good is being simple
Simple is forgetting
And I simply can't forgetI want to be great but greatness is giving
Giving leaves me empty
Oh great emptiness
