

# Being Simple

## Judybats

Hearts cannot be broken, they're small squishy things  
They don't break like glass but they bruise easily  
This one you bruiseWords will not be spoken never knowing what they mean  
Sticks and stones hurt my bones, your promises have broken me  
Each one you breakAnd I want to be good but good is being simple  
Simple is forgetting  
I simply can't forget  
I want to be good but good is being simple  
Simple is forgetting  
And I simply can't forgetEyes are always open even when they sleep  
Mine are mostly closed while yours are wandering  
You look where you pleaseAnd I want to be good but good is being simple  
Simple is forgetting  
I simply can't forget  
I want to be good but good is being simple  
Simple is forgetting  
And I simply can't forgetI want to be great but greatness is giving  
Giving leaves me empty  
Oh great emptinessSouls cannot be taken, they're large and they're loud  
Yours merely whispers latelyseems it's shrinkin'  
I wish it would speakAnd I want to be good but good is being simple  
Simple is forgetting  
I simply can't forget  
I want to be good but good is being simple  
Simple is forgetting  
And I simply can't forgetI want to be great but greatness is giving  
Giving leaves me empty  
Oh great emptiness
