

Mama Told Me (feat. Yo Gotti & Lil Stl)

Zed Zilla

Mama told me, she told me
The fuck niggas ain't yo homies
Watch how niggas change up, they change up
That why I keep one in the chamber
Cause I'm gonna take one with me
This ain't gonna kill me bro (?)
Yeah I'm gonna take one with me
Shout out to my momma cuz she didn't raise no hoe
She said, "Boy if you gonna be thug, you gonna be thugging for sure
You ain't gon' be bitch of nobody, you ain't gonna fall out by hoes
And if the nigga's your partner, you gonna stick with you all"
Mama's told me, and warned me
That once you get your money, son, best get an army
And you gonna keep one with you (keep one with you)
(What you talkin' 'bout, ma'?)
Boy I'm talking 'bout that pistol
(Ah, that's a gang shit)
I was thuggin' in public, half a quarter I'm rockin'
Tryin' to get to a brick stone
Tryin' to stack up the profit
Call the plug off from copyin' (???)
Old school sheriff and I'm droppin', (?)
Bitch stay (???) play back the hood and I'm choppin'
Mama told me, she told me
The fuck niggas ain't yo homies
Watch how niggas change up, they change up
That why I keep one in the chamber
Cause I'm gonna take one with me.
Yeah, I'm gonna take one with me. (That's what I said. Yeah, right.)
Imma stay the same Zilla, the old me, even tho ma' study line niggas, they're all me (???)
And I'mma, always do what mama told me (???)
She told me trust no bitches, (???) watch my homies
Slowly but surely, nigga I grind it up and cut the rollie
And the niggas with these bitch ways, they show me
I seen a beat jiggy gun downed by his OG bitches niggas treating thot bitches like they trophies (???)
Nigga I'ma tell you like my mama told me
Nigga wear a rubber
Yeah, she told me fuck the bitches
Don't you love 'em and these niggas undercover

Mama told me, she told me
The fuck niggas ain't yo homies
Watch how niggas change up, they change up
That why I keep one in the chamber
Cause I'm gonna take one with me.
Yeah, I'm gonna take one with me. (Yeah, right.)
