

I Don't Have To Sleep To Dream

[Cher](#)

I gave up the fight for love, whoa oh oh
Walked away to calm for gloves
No more wishing on a star
Waiting for someone, whoa
What if no one ever comes

So I kept my eyes closed, hands up, dancing by myself
Oh, I never felt nothing better
Baby how could I know you'd come crashing down from Heaven
Now my heart is open forever

I don't have to sleep to dream
I can hardly believe what I see
When you stand before me
You're everything I never thought
That I would ever find
Now I don't have to sleep to dream
You're a dream to me

There's a cure for bleeding hearts, whoa
Think you showed me where to start
Every time I lose my grip
You keep me hangin' on, whoa oh oh
You remind that I'm strong

So I kept my eyes closed, hands up, dancing by myself
Oh, I never felt nothing better
Baby how could I know you'd come crashing down from Heaven
Now my heart is open forever

I don't have to sleep to dream
I can hardly believe what I see
When you stand before me
You're everything I never thought
That I would ever find
Now I don't have to sleep to dream
You're a dream

I don't have to sleep to dream
I can hardly believe what I see

When you stand before me
You're everything I never thought
That I would ever find
Now I don't have to sleep to dream
You're a dream to me

You're a dream

I don't have to sleep to dream
I can hardly believe what I see
When you stand before me
You're everything I never thought
That I would ever find
Now I don't have to sleep to dream
You're a dream, dream
You're a dream to me
