Womb

The Cultural Decay

Here I Am I Am Your Child
Lying Safe And Warm In Your Womb
Billions Of Women Were Ambushed By Me
As I Am The Unwanted Life
And I Lurk In Your Body
And I Lurk In Your Womb
Here I Am I Am Lying In Your Womb
I Am Your Child An Unwanted Child
I Do Not Care About Anything Else But Me
And You Think About Killing Me
Forget About That I Will Be With You
For The Rest Of Your Miserable Days
Oh And Now You're Crying
I Never Wanted You To Cry About Me
But I Do Exist And You Have To Take Care About That
For The Rest Of Your Miserable Days
