Oomingmak (Instrumental)

Cocteau Twins

Soon as he was agreed
The real business
All this I ever spent
A meaner rhythmFantasy greenery
All in all an enemy
(Or early morning millionaire
As everyone seems to put down)
Enemy, synergy
Intermixed with legaciesBetter days
Better quakesOomingmak, Omingmak
Drifting on forever on a side wallFantasy greenery
All in all an enemy
Nervousness, anarchist
Clearly spoke, clearly wroteFeet like finsA time to live again
A little tense
Beyond belief
I grew up setting blocks
