

Oomingmak (Instrumental)

Cocteau Twins

Soon as he was agreed
The real business
All this I ever spent
A meaner rhythm Fantasy greenery
All in all an enemy
(Or early morning millionaire
As everyone seems to put down)
Enemy, synergy
Intermixed with legacies Better days
Better quakes Oomingmak, Oomingmak
Drifting on forever on a side wall Fantasy greenery
All in all an enemy
Nervousness, anarchist
Clearly spoke, clearly wrote Feet like fins A time to live again
A little tense
Beyond belief
I grew up setting blocks
