

# Disco Bitch

## Mr. Strange

Disco bitch,  
Disco bitch,  
Disco,  
Disco,I see you walk in,  
I see you hit the floor,  
You dance like you want it,  
You know I know the score,You make it look easy,  
You make me want more,  
Yeah, what I see is pleasing,  
You've done this before,You play the pure,  
And I'll play the devil on your shoulder,  
You play the whore,  
And I'll be the one taking over,You move like a cheap hooker,  
But you're ugly when you talk,Disco bitch,  
Rock my world,  
Dancefloor whore,  
You're my girl,  
That sinful hue,  
All eyes are on you,Disco bitch,  
Disco bitch,  
Disco,  
Disco,That outfit is shocking,  
But why keep it on?  
Let's see your skirt rising,  
As I play your song,  
You're not shy, I like that,  
Lets do some wrong,  
Baby, I'm the devil,  
You're the whore of Babylon,You play the pure,  
And I'll play the devil on your shoulder,  
You are the whore,  
And I am the one taking over,You move like a cheap hooker,  
But you're ugly when you talk,Disco bitch,  
Rock my world,  
Dancefloor whore,  
You're my girl,  
That sinful hue,  
All eyes are on you,Get down,  
Get down,I know you want it 'cos it makes you feel alive.
