Crash and Burn

Smash Into Pieces

Here we stand, we can't believe it's true,
We made it this far,
No one knows whenever dreams come true,
Do we want'em to,
There's nothing we can do,
It's already done,
There's no one left but you,
Our time has come.We live,
We learn,
Through ups and downs and turns,
We crash,
We burn,
But still we rise again,
We crash,
We burn,
Again and again,
There's no turning back,
No if no why,
We leave all behind,
Time has come to try our wings and fly,
And never come down,
This will get us high,
Above it all,
Cause we aim for the sky,
Our time has come,We live,
We learn,
Through ups and downs and turns,
We crash,
We burn,
But still we rise again,
We crash,
We burn,
Again,
In the end,
The promises were broken,
It should not go down like this,
In darkness we keep on crawling,
We never going down again,We're not afraid of falling,
Falling down again,

In darkness we keep crawling,We live,
We learn,
Through ups and downs and turns,
We crash,
We burn,
But still we rise again,
We crash,
We burn,
But still we rise again,
We crash,
We burn,
But still we rise again,
We crash,
We burn again
