

It's Too Late

Workshy

Stayed in bed all mornin' just to pass the time
There's something wrong here there can be no denyin'
 One of us is changin'
 Or maybe we've just stopped tryin'
 And it's too late baby, now it's too late
 Though we really did try to make it
 Something inside has died and I can't hide it
 And I just can't fake it
 Oh, no no no no
 (No no no no)
 It used to be so easy livin' here with you
 You were light and breezy
 And I knew just what to do
 Now, you look so unhappy and I feel like a fool
 And it's too late baby, now it's too late
 Though we really did try to make it
 (We can't make it)
 Something inside has died and I can't hide it
 And I just can't fake it
 Oh, no no
 Ru ru ru ru
 La la la la
 There'll be good times again for me and you
 But we just can't stay together don't you feel it too?
 Still, I'm glad for what we had
 And how I once loved you
 But, it's too late baby, now it's too late
 Though we really did try to make it
 (We can't make it)
 Something inside has died and I can't hide it
 And I just can't fake it
 Oh, no no no no no
 It's too late, baby
 It's too late
 Now darlin', it's too late
