

What Makes You Different (makes You Beautiful)

Backstreet Boys

You dont run with the crowd
You go your own way
You dont play after dark
You light up my dayGot your own kind of style
That sets you apart
Baby, thats why you capture my heartI know sometimes you feel
Like you dont fit in
And this world doesnt know
What you have withinWhen I look at you
I see something rare
A rose that can grow anywhere
(Grow anywhere)
And theres no one I know that can compareWhat makes you different
(Oh, uh)
Makes you beautiful
What's there inside you
Shines through to meIn your eyes I see
All the love I'll ever need
(Youre all I need, oh girl, girl)
What makes you different
Makes you beautiful to me
(Yeah)You've got something so real
You touched me so deep
(Touched me so deep)
See material things
Don't matter to meSo come as you are
You've got nothing to prove
You won me with all that you do
And I wanna take this chance to say to youWhat makes you different
(Oh, uh)
Makes you beautiful
What's there inside you
Shines through to meIn your eyes I see
All the love I'll ever need
(Youre all I need, oh girl, girl)
What makes you different
Makes you beautiful to me
(Yeah)You don't know
(You dont know)

How you've touched my life
(My life) Oh there's so many ways I just can't describe
(So many)
You taught me what love is supposed to be
It's all the little things that made you beautiful to me
(So beautiful, oh) What makes you different
(Oh, uh)
Makes you beautiful
What's there inside you
(Shines)
Shines through to me In your eyes I see
All the love I'll ever need
(You're all I need, oh girl)
What makes you different
Makes you beautiful to me Everything in you is beautiful
(So beautiful)
Love, you give shines right through me
(Shines to me) Everything in you is beautiful
(Ohh)
Beautiful to me
(To me)
