

# I Know Where I'm Going

## Burl Ives

I know where I'm goin'  
Don't you wanna come too?  
I got my reservations  
And I got one for you  
The train's leavin' just after dark  
There's always room for a lovin' heart  
I know where I'm goin'  
Don't you wanna come too?  
I know my destination  
It's a' waiting for me  
I got no hesitation  
That's where I want to be  
And by the time that the sun comes up  
Well, I'll be drinkin' from a lovin' cup  
I know where I'm goin'  
Don't you wanna come too?  
Don't you wanna come? Don't you wanna ride?  
Don't you wanna be there by my side?  
Hand in hand, holding on to  
A sweet salvation that is waiting for me and you  
I know why I'm singin'  
Don't you wanna sing too?  
Can't you hear the bells a ringin'?'  
Let the spirit move you  
Just close your eyes and let it flow  
Lean your head back, let it go  
I know where I'm goin'  
Don't you wanna come too?  
Don't you wanna come? Don't you wanna ride?  
Don't you wanna be there by my side?  
Hand in hand, holding on to  
A sweet salvation that is waiting for me and you  
I know where I'm goin'  
Don't you wanna come too?  
I got my reservations  
And I got you for you  
I know why I'm singin'  
Don't you wanna sing too?  
Can't you hear the bells a ringin'?

Let the spirit move you, spirit move you, yeah

I know where I'm goin'

Don't you wanna come too?

I know where I'm goin'

Don't you wanna come too?
