

# Real Love

## HOMESHAKE

Place is packed tonight  
Inside  
Inside  
Think I'll lose my mind  
And then I see my baby  
And it's real love  
Real love  
Real love in this club tonight  
Real love  
Real love  
Real love in this club tonight  
[?] keeping it tight  
Alright  
Alright  
We can dance all night  
Her and I  
Alive  
And it's real love  
Real love  
Real love in this club tonight  
Real love  
Real love  
Real love in this club tonight
