

Konstantine (live)

Something Corporate

I can't imagine all the people that you know
and the places that you go
When the lights are turned down low
and I don't understand all the things you've seen
but I'm slipping in between
You and your big dreams
It's always you
In my big dreams
And you tell me that its over
wake up lying in a patch of four leaf clovers
and your restless
and I'm naked
you gotta get out
you cant stand to see me shaking
no
could u let me go?
I didn't think so
and you don't wanna be here in the future
so you say the presents just a pleasant,
interruption to the past
and you don't wanna look much closer
'cause you're afraid to find out all this hope
you had sent into the sky by now had
crashed
and it did
because of meand then you bring me home
afraid to find out that your alone oh
and I'm sleeping in your living room
but we don't have much room to liveand I had these dreams in them I learned to play guitar
maybe cross the country
become a rock star
and there was hope in me that I could take you there
but damn it you're so young
well I don't think i care
and if I hurt you
then I'm sorry
please don't think that this was easyand then you bring me home
cause we both know what its like to be alone oh
and I'm dreaming in your living room

but we don't have much room to live and konstantine is walking down the stairs

doesn't she look good

standing in her underwear

and I was thinking

what I was thinking

we've been drinking and it doesn't get me anywhere

my konstantine came walking down the stairs

and all that I could do was touch her long blond hair

and I've been thinking

but it hurts me thinking

that these nights when we were drinking

no they never got us anywhere

nothis is because I can spell confusion with a 'K'

and I can like it

its to dying in anothers' arms

and why I had to try it

it's to jimmy eat world

and those nights in my car

when the first star you see

may not be a star

I'm not your star

isn't that what you said

what you thought this song meant and if this is what it takes

just to lie with my mistakes

and live with what i did to you

all the hell I put you through

I always catch the clock

its 11:11

now you wanna talk

its not hard to dream

you'll always be my konstantine

my konstantine

they'll never hurt you like I do

no,no,no,no, no, no, no, no, nothis is to a girl

who got into my head

with all the pretty things she did

hey

ya know

you keep me up in bed

this is to a girl

who got into my head

with all these fucked up things i did

hey

maybe

baby you could keep me up in bed

my konstanineyou spin around me like a dream
we played out on this movie screen
and I said
did u know i missed you(x7)
I miss youand then you bring me home
and we go to sleep
but this time not alone, no
and you'll kiss me in your living room
I know
I know you miss me in your living room
'cause these nights I think
maybe that I miss you in my living room
but we don;t have much room
I said does anybody need that room
because we all need a little more room
to livemy konstantine...
