Raining Again

Staind

A piece of glass
In the sand under your feet
It cuts you deep
It makes you hate the beauty that you seeAnd you wonder where you are
How you ever got so far
Now you question what went wrong
Its your heartIts raining again
Theres a dark cloud over your head
It follows you around, its bringing you down
Its raining, its raining againA welted rose
And youre the gaze of all you see
You buy the flaws
And miss the beauty that is yours for freeRealize you are so far
From the things that matter now
And you only wonder how
Its your heartIts raining again
Theres a dark cloud over your head
It follows you around, its bringing you down
Its raining, its raining againCome on, come on, get it right
Come on, come on, make it right
Come on, come on, its alrightIts raining again
Theres a dark cloud over your head
It follows you around, its bringing you down
Its raining, its raining againIts raining, raining again
Theres a dark cloud over your head
