

# Raining Again

## Staind

A piece of glass  
In the sand under your feet  
It cuts you deep  
It makes you hate the beauty that you see And you wonder where you are  
How you ever got so far  
Now you question what went wrong  
Its your heart Its raining again  
Theres a dark cloud over your head  
It follows you around, its bringing you down  
Its raining, its raining again A wilted rose  
And youre the gaze of all you see  
You buy the flaws  
And miss the beauty that is yours for free Realize you are so far  
From the things that matter now  
And you only wonder how  
Its your heart Its raining again  
Theres a dark cloud over your head  
It follows you around, its bringing you down  
Its raining, its raining again Come on, come on, get it right  
Come on, come on, make it right  
Come on, come on, its alright Its raining again  
Theres a dark cloud over your head  
It follows you around, its bringing you down  
Its raining, its raining again Its raining, raining again  
Theres a dark cloud over your head
