I Think I Need A New Heart

The Magnetic Fields

Time stands still all I can feel is the time standing still
As you put down the keys and say, "Don't call me please"
While the radio plays, I think I need a new heart
I think I need a new heartYou've lied too but it's a sin that I
Can't tell the truth 'cause it all comes out wrong
Unless I put it in a song so the radio plays
I think I need a new heart, just for you
I think I need a new heart'Cause I always say I love you
When I mean turn out the light
And I say let's run away
When I just mean stay the night
But the words you want to hear
You will never hear from meI'll never say happy anniversary
Never stay to say happy anniversary
