

Fearless Boogie

Hank Williams III

Call me a pretty boy, they call me a saint
They call me a sinner, well, it's gonna be the same
'Cause I'm not afraid, and I'm not a-feared
I ain't gonna lose it, and I'm not scared To do the fearless boogie, and do the fearless boogie
Smokin' fearless boogie until it's gone They call me a Pontiac, the red in my neck
Well they call me a Cadillac, they call me a wreck
I'm not afraid, and I'm not scared
I ain't gonna lose it, and I'm not a-feared To do the fearless boogie, and do the fearless boogie
Smokin' fearless boogie until it's gone They call me a lover
They call me a fool
They call me a winner
The call me a mule I do the fearless boogie, I do the fearless boogie
Smokin' fearless boogie until it's gone Yeah, smoke it up boys
It's all about the fearless boogie Good God, good God almighty
Good God, good God almighty
Good God, good God almighty
