

Make You Mine

ZeroGravity

Ooh oh oh oh

Ooh oh oh oh

I like cruising around with your head low in the beat

I like staying up all night 'till we're dancing in the street'

Cause whenever you touch me baby, You swing me off the ground

Can't hold it in, it's so frustrating

So, I'm telling you now

Uuuh, you got me feeling like uuuh

My head is spinning my, uuuh

If you mean it say you're with me tonight

Girl you had my heart stopping for you,

I'm coming for you, gotta MAKE YOU MINEHeart stopping for you,

I'm falling for you, gotta MAKE YOU MINEOoh oh oh oh

Ooh oh oh oh

Call her 2 am, how'd you know you're in my dreams

If I'm awake or if I'm asleep you're always getting to me'

Cause whenever you touch me baby, You swing me off the ground

Can't hold it in, it's so frustrating

So, I'm telling you now

Uuuh, you got me feeling like uuuh

My head is spinning my, uuuh

If you mean it say you're with me tonight!

Girl you had my heart stopping for you,

I'm coming for you, gotta MAKE YOU MINEHeart stopping for you,

I'm falling for you, gotta MAKE YOU MINEGot me feeling like

Got me singing like

Got me going like ah ah aah aah ay

Got me feeling like

Got me singing like

Got me going like ah ah aah aah ay

Got me feeling like

Got me singing like

Got me going like ah ah aah aah ay

Got me feeling like

Got me singing like

Got me going out of my mind!

Uuuh, you got me feeling like

Got me spinning

If you mean it say it's tonight!

Girl you had my heart stopping,
I'm coming, gotta MAKE YOU MINEHeart stopping for you,
I'm falling for you, gotta MAKE YOU MINE!
Gotta MAKE YOU MINE!
