

# Shoppin'

Cher

I'm shoppin', gonna buy my blues away  
Shoppin', I'm walking up to the counter and say  
I want this sweater, I sure feel better  
Shoppin', gonna take my troubles to town  
Shoppin', you don't need money down  
Charge it, wrap it, send it shoppin' Ever since my mother took me to a big department store  
My heartbeat escalated all the way to the second floor  
I couldn't hide my passion for the latest fashion craze  
My mama told me that's just another phase I'm going through  
Whatcha got that's new? Shoppin', gonna buy my blues away  
Shoppin', I got bad news today  
Instead of eating 'cause my man's cheating  
Shoppin', I'm gonna take my troubles to town  
Shoppin', while everyone else is smokin', token', coken'  
Well, I'll be shoppin', hit it, boys Excuse me Miss, see that, the dress over there?  
How many colors does it come in?  
Yes, all right, no, I'd like every one  
No, I'm not going to try it, I know it'll fit Ooh, you know what?  
Let's go up, oh, they're having a sale  
My God, I love sales  
No, I don't have a last name It's just Cher, just plain Cher  
Ooh, I like the shoes  
Do you think you could this thing  
It's all pink and wrinkly it's  
What a darling little bag Shoppin', I'm gonna buy it  
Shoppin', I never try it on for size  
Shoppin', will I like it  
Shoppin', does the color match my eyes? Folks say I'm daring for what I'm wearing  
I'm always scaring the people's staring  
So I'm declaring, I'm tired of swearing  
I'm just shoppin' Shoppin', I'm gonna but my blues away  
Shoppin', I got bad news today  
Shoppin', I'm gonna take my troubles to town  
Shoppin', don't need money down Shoppin', gonna buy my blues away  
Shoppin', walking up to the counter and say  
I want that sweater, I sure feel better  
Shoppin', charge it, wrap it, send it Shoppin', instead of eating 'cause my man's cheating  
I've been shoppin'  
While other people may be smokin', token', coken'

I'll be shoppin'
