

Save Me (feat. Eneli)

Mahmut Orhan

My friend, what have you done to me...
They've been watching...
Been hurting, falling on my knees...
I've been fighting...
Don't ask me why, don't make me lie...
I didn't wanna hide, didn't wanna hide...
Somebody to save me, save me...
It's somebody to save me, save me...
Could you save us? I need faith, yea...
Woah oh...

My friend, what have you done to me...
They've been watching...
Been hurting, falling on my knees...
I've been fighting...
Don't ask me why, don't make me lie...
I didn't wanna hide, didn't wanna hide...
Somebody to save me, save me...
It's somebody to save me, save me...
Could you save us? I need faith, yea...
Woah oh...
