The Color Of The Night

Lauren Christy

You and I moving in the dark
Bodies close but souls apart
Shadowed smiles and secrets unrevealed
I need to know the way you feel
I'll give you everything I am
And everything I want to be
I'll put it in your hands
If you could open up to me oh
Can't we ever get beyond this wall
'Cause all I want is just once to see you in the light
But you hide behind the color of the night
I can't go on running from the past
Love has torn away this mask
And now like clouds like rain I'm drowning and
I blame it all on you I'm lost God save me
I'll give you everything I am

And everything I want to be
I'll put it in your hands
If you could open up to me oh
Can't we ever get beyond this wall
'Cause all I want is just once to see you in the light
But you hide behind the color of the night
I'll give you everything I am
And everything I want to be
I'll put it in your hands
If you could open up to me oh
Can't we ever get beyond this wall
'Cause all I want is just once forever and again
I'm waiting for you, I'm standing in the light
But you hide behind the color of the night
Please come out from the color of the night
