On Directing

Tegan and Sara

You're directing me Your eyes focus like a microscope Because you need Eyes focused like a microscopeGo steady with me I know it turns you off when I I get talking like a teen I get talking like a teenYou're directing me You're dressed up, I lose my grip, my focus Make those eyes at me I lose my grip, I lose my focusGo steady with me I know it turns you off when I I get talking like a teen I get talking like a teenGo steady with me I know it turns you off when I I get talking like a teen I get talking like a teenYou're directing me Eyes focused like a microscope Because you need Eyes focused like a microscopeYou're directing me You're dressed up, I lose my grip, my focus Make those eyes at me I lose my grip, I lose my focusGo steady with me I know it turns you off when I I get talking like a teen I get talking like a teenGo steady with me I know it turns you off when I I get talking like a teen I get talking like a teenGo steady with me I know it turns you off when I I get talking like a teen I get talking like a teenGo steady with me I know it turns you off when I I get talking like a teen
