Blood Beach

Groovie Ghoulies

Something's out there killing everyone
I don't want a hypochondriun
Kinda takes out all the fun
Blood BeachI don't want a hypochondriun
Something's out there killing everyone
Kinda takes out all the fun
Blood BeachEverything was normal yesterday
But last night something crept into the bay
Arrived this morning with blood in hand
There were bodies strewn all across the sand
There's nothing on the beach that isn't dead
I was ready for the waves crashing on my head!
I don't want a hypochondriun
Something's out there killing everyone
Kinda takes out all the fun
Blood Beach [x2]
