

Boytoy Baby

Maria Mena

Tell me
am I your baby?
You misunderstand me,
just want a piece of your ass
Impress me
afterall I'm a lady
And dude if you bore me
i'll send you back to your wife You're just a Boytoy Baby Romance
I don't want no romance
Just grab me with your hands
and leave when I'm done Honey
You can keep all your money
I want you to owe me
It's just a game that I play
