

"Red Light Spells Danger" (HQ Stereo)

Billy Ocean

Can't hold out much longer
'Cos red light means warning
Can't hold out I'm burning Oh
oh
oh You took my heart and turned me o
And now the danger sign is on Never thought the day would come
When I would feel alone without yo@
An' now I'm like a child again
Calling out his mama's name You got me on a ball and chain
Doin' things that I don't want. I can't stop running to you
Feel love coming through you
Girl
with you beside me
Hold on heaven guide me. Red light spells danger
...
Red light spells danger
... I had my funk
I played around
Without a love to tie me down I always used to kiss and run
I never wanted love to catch me.
I thought I had a heart of stone
But now I'm in the danger zone I can feel the heat is on
Soon the flames are gonna get me. I can't stop running to you
... Red light spells danger
...
