

Black Mass Reverends

Black Label Society

Deathbent, warped mind
Tripped out, out of line, bodycount rise again
Sick and hell bent, broke and twisted
The end isn't far behind
Black Mass Reverends
Black Mass Reverends
Hate machine, destroy all you seek
Kill and rape, trample the weak
A never ending stream of fear
Sick and hell bent for the end is near
Black Mass Reverends
Black Mass Reverends
Black Mass Reverends
Black Mass Reverends
Black Mass Reverends
Black Mass Reverends
