

The World is New

Save Ferris

I was just sitting and awaiting
Just thinking, contemplating my life when I heard the phone
I picked up the receiver and I did not believe her
When I heard a voice say, "You're not alone" When I am down and I am blue
All I have to do
Is close my eyes and think of you
And the world is new Life was getting hectic and things were unexpected
When I first received your call
But now it is the best thing that filled up what was missing
And now my life is envied by all When I am down and I am blue
All I have to do
Is close my eyes and think of you
And the world is new I was just sitting and awaiting
Just thinking, contemplating my life when I heard the phone
I picked up the receiver and I did not believe her
When I heard a voice say, you're not alone When I am down and I am blue
All I have to do
Is close my eyes and think of you
And the world is new
