Nothing Ever Happened

é™³å¥•è¿

Only when I dream but there's no way out
You learn to talk, you learn to shout
Focus on depth that was never there
Eliminate what you can't repairNothing ever happened to me
Nothing ever happened to me
Nothing ever happened to me
Life just passing, flash right thru meSee thru the wind to awakened stream
Adjust your eyes to the state of things
Focus on depths that was never there
Nothing's easy nothing's fairNothing ever happened to me
Nothing ever happened to me
Nothing ever happened to me
Life just passing, flash right thru meI never, saw it coming
waiting for something, for nothing
I never, saw it coming
waiting for something, for nothing
