God Bless the Child

Barbra Streisand

Them that's not shall get,them that'snot shall loose.so the Bible said,and it
Still is used.
Mama may have,papa may have.so God bless the child who's got his own,who's got
His own.
Yes,the strong gets more,while the weak once fade.empty pockets don't ever make
It great.
Mama.....
Money you have lot of friends crowdin' round the door.when you're gone and
Spend it ends,they don't need no more.
Rich relation give,just the bread of such.you can help yourself,but don't take
Too much.
Mama.....
