

# Allein Allein

## Polarkreis 18

(Allein allein)He's living in a universe  
A heart away  
Inside of him there's no one else  
Just a heart away  
The time will come to be blessed  
A heart away  
To celebrate his lonelinessWir sind allein  
Allein allein  
Allein alleinAllein allein  
Allein alleinWe look into faces  
(Allein allein)  
Wait for a sign  
(Allein allein)Wir sind allein  
Allein allein  
Allein alleinA prisoner behind the walls  
A heart away  
Wants to lead his universe  
Just a heart away  
The time has come for us to love  
A heart away  
To celebrate our lonelinessWir sind allein  
Allein allein  
Allein alleinAllein allein  
Allein alleinWe look into faces  
(Allein allein)  
Wait for a sign  
(Allein allein)Wir sind allein  
Allein allein  
Allein alleinOh(Allein allein)  
(Allein allein)  
(Allein allein)  
(Allein allein)Allein allein  
Allein allein  
Allein allein  
Allein alleinSind wir allein  
Allein allein  
Allein alleinWir sind allein  
Allein allein  
Allein allein(Allein allein)
