

# Neverwhere (live)

## At the Gates

Dark horizon, darkest sky

    No light is present

    Freezing winds of lands unamiable

Haunts the wastes of NeverwhereLife doesn't belong hereLimitless, unmeasurable, time is not

    As the end so is the beginning

    Always was, always will be

    This is where the journey ends

This is what no one returned to tellNeverwhereLife doesn't belong hereDark thoughts, darkest mind

    No light is present

    I now put aside my crown of thorns

    Time has come to join eternity

And rest my eyes on a darker shade of colorEager to be erased

    Innumerable stare behind frozen eyes

    Wanderers strayed from eternity's path

Longed for to come, to rest at lastLimitless, unmeasurable, time is not

    As the end so is the beginning

    Always was, always will be

    This is where the journey ends

This is what no one returned to tellDimensions warped in times of motionless storm

    Now frozen worlds collide

    As the womb of cold opens wide

    Childhood has passed

Now birth will come of ages dreamed of by none

    Now awaited, the circle to close

We wait for the call, Lazarus come outNow awaited, the circle to close

    We wait for the call, Lazarus come out

    We wait in the shadows of Neverwhere
