Carina

Larz-Kristerz

I'll steal your heart away in time
It's only fair 'cause you have mine
Oh Carina
Don't make me wait too long

Baby can you tell me true
Do I stand a chance with you
Oh Carina
Don't make me wait too long

Good things will come
To those who wait
But too long, will be too late

I'll be brave as I know how
Courage don't you fail me now
Oh Carina, now don't make me wait too long

Oh Carina
Don't make me wait, too long
Good things will come
To those who wait
But too long, will be too late

I'll be brave as I know how
Courage don't you fail me now
Oh Carina, now don't make me wait too long
Too long, too long, don't make me wait too long
Oh...ooo...ooh, don't make me wait too long
