

Fight the power

The Fighting Cock Team

1989 the number another summer, get down
Sound of the funky drummer
Music hittin your heart, 'cause I know you got soul
Brothers and sisters Listen if youre missin yall
Swingin while Im singin
Givin whatcha gettin
Knowin what I know and While the black bands sweatin
And the rhythm rhymes rollin
Got to give us what we want

Gotta give us what we need Our freedom of speech is freedom or death
We've got to fight the powers that be Lemme hear you say

Fight the power

Lemme hear you say

Fight the power Lemme hear you say

Fight the power

Lemme hear you say

Fight the power Lemme hear you say

Fight the power

Lemme hear you say

Fight the power

We've got to fight the powers that be As the rhythm designed to bounce

What counts is that the rhymes designed to fill your mind

Now that youve realized the prides arrived

We got to pump the stuff to make us tough From the heart, its a start, a work of art

To revolutionize, make a change, nothins strange

People, people, we are the same

No, were not the same, 'cause we dont know the game What we need is awareness, we cant get careless

You say what is this?

My beloved, let's get down to business

Mental self defensive fitness Yo, bum rush the show

You gotta go for what you know

To make everybody see

In order to fight the powers that be Lemme hear you say

Fight the power

Lemme hear you

Fight the power Lemme hear you say

Fight the power

Lemme hear you

Fight the power Lemme hear you say

Fight the power
Lemme hear you
Fight the powerLemme hear you say
Fight the power
We've got to fight the powers that beLemme hear you say
Fight the power
Lemme hear you
Lemme hear you say
Fight the powerLemme hear you say
Fight the power
Lemme hear you say
Fight the powerLemme hear you
Fight the power
Lemme hear you say
Fight the power
We've got to fight the powers that beElvis was a hero to most
But he never meant shit to me you see
Straight up racist that sucker was
Simple and plainMother fuck him and John Wayne
'Cause Im black and Im proud
Im ready and hyped plus Im amped
Most of my heroes dont appear on no stampsSample a look back you look and find
Nothing but rednecks for four hundred years if you check
Dont worry be happy was a number one jam
Damn, if I say it you can slap me right hereLet's get this party started right
Right on, cmon, what we got to say
Power to the people, no delay
Make everybody see in order to fight the powers that beFight the power
Fight the power
Fight the power
We've got to fight the powers that be
