Here We Go

Mat Kearney

Did you close your eyes as you walked away?
Did I get too close in the pouring rain?
If there's one more chance for us here tonight
I'll take the long way 'round this timeWe sing
Oh love, it's easy if you don't try to please me
If you don't wanna see me anymore
We sing outOh, oh, here we go again
I know how I lost a friend
We go 'round and 'round again
Oh oh, oh ohBitter is the kiss that says goodbye
I can hear it in your voice, I see it in your eyes
'Cause we've been this low and we've been around this bend
I don't wanna lose you all over againWe sing
Oh love, it's easy if you don't try to please me
If you don't wanna see me any more
We sing outOh, oh, here we go again
I know how I lost a friend
We go 'round and 'round again
Oh oh, oh ohOh, no, here we go again
I know how I lost a friend
We go 'round and 'round again
Oh oh, oh oh'Round here, hey hey
We've got a light here that's not going away
If all is broken and all is lost
Then I've been found, so here's my heart
I'll give over and over againHere we go again, here we go again
Here we go again, here we go againOh, oh, here we go again
I know how I lost a friend
We go 'round and 'round again
Oh no, oh noIt's a long road, baby
Running away
It's a long road, baby
Running awayIt's a long road, baby
Running away
It's a long road, baby
Running awayIt's a long road, baby
Running away
It's a long road, baby
Running awayIt's a long road, baby

Running away
