

Giving Up, Giving In

Streetlight Manifesto

I got no cash, got no girl
Got the world in the palm of my hand
I dont care if you care or if you understand
'Cause Im a little kid and Ive got little problems, yeah
And I dont give a shit if you dont even understand And I got me
(But I got me)
Thats all I need
(Thats all I need)
And I live comfortably
(And I live comfortably)
And I sleep peacefully

Go I got no cash, got no girl, got the world in the palm of my hand
I dont care if you care or if you understand
'Cause Im a little kid and Ive got little problems, yeah
And I dont give a shit if you dont even understand And I got me
(Well, I got me)
Thats all I need
(Thats all I need)
And I live comfortably
(And I live comfortably)
And I sleep peacefully

Go I give up, I dont wanna hear, I dont wanna be near
You, your friends, your dime a dozen miseries
I dont care if you care about the way you wear your hair
Your shoes, your idiot attitude Dont stop 'cause I won't hear your problems
Dont stop 'cause I won't help you solve them
Dont stop whatever I might say, got a problem
Okay, Im moving things out the way I give up
I got no cash
