

# Lights of My Hometown

Brantley Gilbert

Advisory - the following lyrics contain explicit language:

You know the lights of my hometown  
They come alive when the sun goes down We got the fifty yard line on a Friday night  
Main Street drag lined up with red tail lights  
Yeah, the dashboard glow from the radio  
Get the console back, pull your girl real close Got the summer stars out in the backwoods  
Got the windows down, make you feel so good  
To lock your high beams in on a mud hole  
If you're where I'm from, then you damn sure know About the lights of my hometown  
Yeah, they come alive when the sun goes down  
Talkin' about the lights of my hometown  
Yeah they come alive when the sun goes down We hold our lighters up, if it's a good song  
Little Lynyrd Skynyrd gotcha singin' along  
Pour some gasoline on a pile of wood  
Just a little too much will make it burn real good We got the moonshine, I'm talkin' both kinds  
Have you seen baby staring at them tanlines  
Yeah, we're throwin' down until the cops come  
When the blue lights flash, boys it's time to run You know the lights of my hometown  
Yeah, they come alive when the sun goes down  
Talkin' about the lights of my hometown  
Yeah they come alive when the sun goes down  
When the sun goes down,  
When the sun goes down Light a flashlight on a gravestone  
Let your best friend know that he ain't alone  
Go on and pop a top, pour a little out  
Just to let him know we're still thinkin' about him And lights of our hometown  
He almost comes alive when the sun goes down  
I'm talkin' about the lights of our hometown  
He almost comes alive when the sun goes down  
Talkin' about the lights of my hometown  
Yeah, they come alive when the sun goes down  
Talkin' about the lights of my hometown  
Yeah, they come alive, yeah they come alive when the sun goes down When the sun goes down

Oh yeah when the sun goes down  
Yeah we got the fifty yard line on a Friday night  
Main Street drag lined up with red tail lights  
Yeah yeah we hold the lighters up  
We hold the lighters up  
Yeah we hold the lighters up when the sun goes down  
Let me see them lightersTalkin' about the lights of my hometown  
They come around, yeah they come around  
When the sun goes down
