Love you, Jesus.  
Love you, Jesus i love you Jesus.  
Love you, Jesus.  
Your love is the song of my heart.  
I love you.

There's no end to this Love and  
There's no beginning to this love.  
The Love I have for you its timeless.

There's no end to this Love and  
There's no beginning to this love.  
The Love I have for you X2  
The love I have for you its timeless.
