

# 1st Key

## Birdman & Lil' Wayne

I bought my first key from my baby momma brother  
I bought my first key  
Bought my bought my first key  
I bought my first key from my baby momma brother  
I bought my first key  
Bought my bought my first key Yeah, hustling on my city streets  
Trying to get a whole key (i bought my frist key, my first key)  
In '93 and we was getting 'em like for twenty five  
Colombian connect, homey we was getting fly  
We on the grind and our nuts got bigga  
And every day we in the motherfucking hood our guns got bigga  
Stunting on them niggas, getting money staying fly every day a nigga spending  
Riding 25s and we blazing getting high, nigga showing off his ride  
Crusing through the beach nigga rolling in them bimmers  
Them people pull me over hating cause they can't see us  
Know I got the money (laws won't leave me alone)  
Now they acting funny cause they know a nigga strong  
Money long and we coming  
I bought my first key from my baby momma brother  
I bought my first key  
Bought my bought my first key  
I bought my first key from my baby momma brother  
(cooked it up myself and started...)  
I bought my first key from my baby momma brother  
I bought my first key  
Bought my bought my first key  
I bought my first key from my baby momma brother  
(cooked it up myself and started...)  
I ain't have to touch a piece of work since '94  
I lost my daddy in '96 and started making moves  
In '98 (I got a brand new Lexus coupe)  
(now them laws won't leave me alone)  
They pull me over, lock me up, I bail out on my own  
I call my poppa on the phone, tell him cook up a zone  
I leave a house with a pocket full of stones  
Got them hoes slanging, hiding packs in they titties  
Them small chest bitches gotta put it in they butt  
(20s in them they can't fuck wit us)  
I got so many hoes

(it's to the flow or I don't see, don't know)  
(now they won't leave me alone)  
Man I got so much dough  
(it's to the flow or I don't see, don't know)  
(now they won't leave me alone)  
Weezy baby d boy I bought my first key from my baby momma brother  
I bought my first key  
Bought my bought my first key  
I bought my first key from my baby momma brother  
(cooked it up myself and started...)  
I bought my first key from my baby momma brother  
I bought my first key  
Bought my bought my first key  
I bought my first key from my baby momma brother  
(cooked it up myself and started...) And I ain't touch a motherfucking key since '04  
And that's the word that we serving, look that's all we know  
Them niggas talkeyng shit but we the niggas wit the cash flo'  
(i still smoke that weed, smoke that smoke that smoke that weed)  
And I'm back on the beach and we blowing out the whole beat  
My ak mack eleven represent the three  
Gangsta like a motherfucker me and my homies I bought my first key from my baby momma brother  
I bought my first key  
Bought my bought my first key  
I bought my first key from my baby momma brother  
(cooked it up myself and started...)  
I bought my first key from my baby momma brother  
I bought my first key  
Bought my bought my first key  
I bought my first key from my baby momma brother  
(cooked it up myself and started...)
